**TRAVEL**

**Quebec. A Perfect Vacation in a Quaint French Enclave in North America** Combined with spectacular scenery, historical sites, stays in local inns and B & Bs, a vacation to Quebec City highlighted by cheese tastings, regional cuisines and by all the events planned for the 400th Anniversary of the Founding of Quebec, can be one of life's unique and memorable surprises.

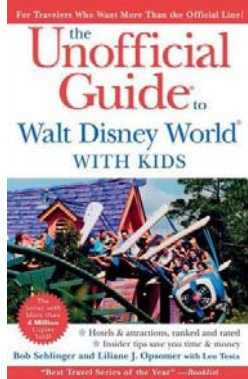

**Champagne Only made in Champagne, France** Champagne is world famous for its unique sparkling wine. Location is a big part of what makes Champagne the region-and therefore Champagne the wine- distinctive. This region undisputedly, produces the world's finest sparkling wines because of its unique cool northerly latitude and chalky white soils. Champagne houses have also utilized this chalk by carving hundreds of miles of tunnels and cellars underground in which to store their wines at constant cool temperatures.
