

In Good Taste

A showcase of burgeoning culinary talent puts the future of the LA dining scene on display.

We all know the names of the current chefs-of-the-moment. But how fun is it to experience the work of those whose meteoric rises are more than eminent? Celebrate the best of the Los Angeles food scene at starchefs.com's [Rising Stars Revue](#) (March 18, 7 to 9:30 pm), with tastings from up-and-coming local chefs and wine pairings from renowned sommeliers (mixologists are part of the game, too). Those cooking include Ken Takayama of *Mélisse*, Rory Herrmann of *Bouchon Bistro* and Jason Knibb of *Nine-Ten*. *Fairmont Miramar Hotel & Bungalows, 101 Wilshire Blvd., Santa Monica*
