Posted on October 20, 2009 by brelleva

An event that recognizes up-and-coming chefs, pastry chefs, sommeliers, and mixologists from around the country is coming to Boston in early November. The StarChefs Rising Stars Revue, which was last held in Boston in 2009, will be held at The State Room at Sixty State Street in the Financial District on Tuesday, November 3. The event will include many familiar names from the Boston restaurant scene among its 2009 class of rising stars, including Jamie Bissonnette, Joanne Chang, Richard Garcia, Rachel Klein, Chris Parsons, Tom Schlesinger-Guidelli, and several others. The StarChefs Tasting Gala and Awards Ceremony, which will be held from 7:00 PM to 9:30 PM, will honor these winners and will also allow guests to sample a signature dish from each of the chefs.

Tickets to the event are \$85 per person (\$125 for VIP admission, which includes a private pre-event reception plus early entrance). Proceeds from the event will benefit the Greater Boston Food Bank.
