March 18: StarChefs.com Rising Chef Revue

StarChefs.com hosts its Rising Stars Revue this evening at the Fairmont Santa Monica. Past honorees include Michael Cimarusti (Providence), Neal Fraser (Grace/BLD), David LeFevre (Water Grill) and David Myers (Comme Ca). So you know whoever is doing the decision making has exemplary taste. Expect to rub elbows with many of the town's most acclaimed chefs and plenty of good stuff to eat. 'Cause you can't very well serve pigs in a blanket to this crowd. \$95 per person. www.starchefs.com.
